SECTION 1: Identification

Product Identifier
Product form: Mixture, lotion
Substance name: Mixture, Lavender Lotion

Intended Use of the Product
Use of the substance/mixture: Topical skin application

Name, Address, and Telephone of the Responsible Party
Soothing Touch
35 Bisbee Ct
Santa Fe, NM 87508
505-820-1054

Emergency telephone number: 1-800-255-3924

SECTION 2: Hazards identification

Classification of the substance or mixture GHS-US classification

Precautionary statements
Eye Contact: Not significant
Skin Contact: Not expected to be a primary skin irritant. Prolonged or excessive skin contact with this product may cause mild skin irritation.
Ingestion: No significant adverse effects are expected upon ingestion of the product.
Inhalation: Exposure via inhalation not likely. Inhalation of vapors or mists of the product may be irritating to the respiratory system.
SECTION 3: Composition/information on ingredients

SECTION 4: First aid measures

Description of first aid measures
First-aid measures general: Never give anything by mouth to an unconscious person. If you feel unwell, seek medical advice (show the label where possible).
First-aid measures after inhalation: When symptoms occur: go into open air and ventilate suspected area. Remove to fresh air and keep at rest in a position comfortable for breathing. Call a POISON CENTER/doctor/physician if you feel unwell.
First-aid measures after skin contact: Remove contaminated clothing. Drench affected area with water for at least 15 minutes.
First-aid measures after eye contact: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing.
First-aid measures after ingestion: Rinse mouth. Do NOT induce vomiting.

Most important symptoms and effects, both acute and delayed Symptoms/injuries: Mild eye irritation (not expected).
Indication of any immediate medical attention and special treatment needed If medical advice is needed, have product container or label at hand.

SECTION 5: Firefighting measures

Extinguishing media
Suitable extinguishing media: Dry, Foam, Carbon dioxide, Fog, Skilled use of water spray
Unsuitable extinguishing media: Do not use a heavy water stream. A heavy water stream may spread burning liquid.
Special hazards arising from the substance or mixture
Fire hazard: Ordinary combustible hazards in a fire.
Explosion hazard: Not significant
Reactivity: Stable
Advice for firefighters
Firefighting instructions: Not significant
Protection during firefighting: Firefighters should wear full protective gear. Do not enter fire area without proper protective equipment, including respiratory protection.
SECTION 6: Accidental release measures

Personal precautions, protective equipment and emergency procedures

General measures: Keep away from heat/sparks/open flames/hot surfaces. No smoking. Avoid breathing (vapor, mist). Use only outdoors or in a well-ventilated area. Handle in accordance with good industrial hygiene and safety practice.

For non-emergency personnel
Protective equipment: Use appropriate personal protection equipment (PPE).

Emergency procedures: Evacuate unnecessary personnel.

For emergency responders
Protective equipment: Equip cleanup crew with proper protection. Use appropriate personal protection equipment (PPE).

Emergency procedures: Ventilate area.

Environmental precautions
Prevent entry to sewers and public waters.

Methods and material for containment and cleaning up
For containment: Absorb and/or contain spill with inert material, then place in suitable container.

Methods for cleaning up: Clear up spills immediately and dispose of waste safely.

Reference to other sections
See heading 8, Exposure Controls and Personal Protection.

SECTION 7: Handling and storage

Precautions for safe handling

Additional hazards when processed: Not significant

Precautions for safe handling: Keep away from heat/sparks/open flames/hot surfaces. No smoking. Avoid breathing mist, spray, vapors. Use only outdoors or in a well-ventilated area. Wear recommended personal protective equipment.

Hygiene measures: Handle in accordance with good industrial hygiene and safety procedures. Wash hands and other exposed areas with mild soap and water before eating, drinking, or smoking and again when leaving work.

Conditions for safe storage, including any incompatibilities

Technical measures: Not significant

Storage conditions: Store in a dry, cool and well-ventilated place. Keep container closed when not in use.

Incompatible products: None noted

Incompatible materials: None noted

Storage area: Store in a dry, cool and well-ventilated place.

Special rules on packaging: None noted

Specific end use(s)
Topical skin care
SECTION 8: Exposure controls/personal protection

Control parameters

Exposure controls
Appropriate engineering controls : Ensure all national/local regulations are observed.

Personal protective equipment
Insufficient ventilation: wear respiratory protection.

Hand protection : None needed
Eye protection : Safety glasses
Skin and body protection : None needed
Respiratory protection : Not usually required under normal conditions of use. If exposure limits are exceeded or irritation is experienced, approved respiratory protection should be worn.
Thermal hazard protection : None needed
Other information : When using, do not eat, drink or smoke.

SECTION 9: Physical and chemical properties
Information on basic physical and chemical properties

Physical state : Lotion
Appearance : Creamy lotion
Color : White to off-white
Odor : Lavender scent
Odor threshold : No data available
pH : No data available
Relative evaporation rate : No data
Freezing point : No data available
Boiling point : No data available
Flash Point : No data available
Auto-ignition temperature : No data available
Decomposition Temperature : No data available
Flammability (solid, gas) : No data available
Vapor pressure : No data available
Relative vapor density at 20 °C : No data available
Relative density : No data available
Density : Specific Gravity (Water=1): >1
Solubility : Slightly soluble in water
Log Pow : No data available
Log Kow : No data available
Viscosity, kinematic : No data available
Viscosity, dynamic : No data available
Explosive properties : Not applicable
Oxidizing properties : No data available
Explosive limits : Not applicable
Other information
No additional information available

SECTION 10: Stability and reactivity

Reactivity: Stable
Chemical Stability: Stable under recommended handling and storage conditions (see section 7).
Possibility of Hazardous Reactions: Not expected
Conditions To Avoid: Avoid open flame. Direct sunlight.
Incompatible Materials: None noted
Hazardous Decomposition Products: None noted

SECTION 11: Toxicological information

Information on toxicological effects
Acute toxicity: Not classified

SECTION 13: Disposal considerations

Waste treatment methods

Waste disposal recommendations: Dispose of contents/container in accordance with local/regional/national/international regulations.

Additional information: Handle empty containers with care because residual vapors are flammable.
Lavender Massage Lotion
Safety Data Sheet
According to Federal Register / Vol. 77, No. 58 / Monday, March 26, 2012 / Rules and Regulations

SECTION 14: Transport information
In accordance with ICAO/IATA/DOT/TDG
Not regulated

SECTION 15: Regulatory information
US Federal regulations
